# IN MY WORLD

Thank you for downloading our free product **My Place in My World**.

It is important for students to know their address and to understand their place in our increasingly connected world.

Print the student pages (5-14) and staple across the top to create a flip book.

### **My Home**

Students enter the street number and street name of their home (include an apartment number, if applicable). The illustration can show the inside or outside of their home.

### **My City**

Students enter the name of their city. The illustration can show any elements that define their city: parks, stores, streets, buildings, etc.

### **My State**

Students enter the name of their state and color it on the map. Illustrations of state symbols can be added around the page.

### **My Country**

Students enter the name of their country and color it on the map. Illustrations of country symbols can be added around the page.

### **My Continent**

Students enter the name of their continent and color it on the map. Illustrations that represent the continent can be added around the page.

### **My Planet**

Students enter the name of their planet and color the solar system map – highlighting Earth.

### **Review**

Students put it all together by filling in the blanks.

### **World Map**

Students can refer to this page as a resource all year long!
